

## **Audiologist Position**

<https://helpmehear.net>

### *Overview*

**Ascent Hearing Center**, Northern Indiana's Premier Hearing Health Care Practice, is seeking one or more qualified Audiologists to join our team in either a part- or full-time capacity. The Audiologist(s) will provide general audiology services to pre-scheduled appointments at one or more of our three established hearing centers within Northwest Indiana (Valparaiso, Crown Point, or Lowell).

Experienced audiologists and recent and/or anticipated 2023 audiologist graduates are encouraged to apply. For qualified candidates, a significant amount of flexibility may be available regarding work location, hours and schedule. As a clinician, you are an expert in the assessment, evaluation, and diagnosis of hearing-related health conditions.

### *Qualifications*

- Masters of Audiology (M.A.), Doctorate Degree in Audiology (AuD)
- Active and unrestricted professional license | OR anticipated (2023) Indiana licensure
- Valid driver's license

### *Essential Responsibilities and Functions*

- Effectively counsel patients and family members on treatment plans.
- Foster an engaging doctor-patient relationship.
- Conduct comprehensive diagnostic audiological examinations at pre-scheduled appointments at one or more of our facilities.
- Conduct electronic medical record review, including audiogram and noise history.
- Perform and interpret middle ear analysis using tympanometry and acoustic reflex testing.
- Perform otoscopy and cerumen removal management.
- Perform hearing aid recommendations, programmings, fittings, follow-ups, and repairs.
- Dispense and adjust analog and digital hearing aids as well as other amplification devices.
- Maintain patient confidentiality and comply with HIPAA rules and procedures.
- Maintain patient information and complete required clinical documentation.
- Work closely with Ascent Hearing Center leadership and staff to maximize patient care and workflow processes.
- Adhere to Ascent Hearing Center's standards of conduct and compliance guidelines.
- Comply with all relevant policies, procedures, guidelines and all other regulatory and accreditation standards.
- Perform other duties as assigned.

### *Other Skills*

- Professionalism, flexibility, and a positive attitude towards all patients and colleagues.
- Compassion and kindness: the ability to effectively relate to patients and understand the impact that the patient's condition is having on their life.
- Time management and organization: capable of managing the demands of a high-volume, variable caseload.

- Verbal and written communication: ability to effectively explain complex treatments and conditions to patients and maintain records.
- Growth-oriented: demonstrate commitment to staying up to date on the latest audiology-related research in order to provide patients with the best solutions available.
- Customer service-focused: ability to use appropriate judgment, independent thinking, flexibility, and creativity when resolving customer issues.
- Critical thinking: ability to make optimal decisions based on multiple variables and desired outcomes.

### *Position Details*

- Be part of a growing network of providers at Ascent Hearing Centers!
- Location flexibility at our Valparaiso, Crown Point, and/or Lowell Offices
- Monday through Friday; no evening or weekend hours unless desired
- Excellent pay and potential for schedule flexibility
- Ability to contribute to 401K
- Established patient base
- 100% malpractice coverage
- Administrative team support
- Permanent position
- CE reimbursement
